Date 16.2.2012

विषय :- कटे-फटे/नष्ट हुए रिकार्ड के पुनर्निर्माण तथा प्रमाणपत्र जारी करने के संदर्भ में ।

महोदय,

कृपया उपरोक्त विषयक अपने पत्र क्रमांक एफ 1(7)/10/वीएस/डीईएस/2005/428, दिनांक 17-01-2012 का अवलोकन करें । इस संदर्भ में यह कहना है कि वर्ष 1998 में इस कार्यालय ने नष्ट हुए/कटे-फटे रिकार्ड के संदर्भ में एक पत्र सं. 1/3/95-वी.एस. (कोर्ड), दिनांक 9 मार्च, 1998 जारी किया था, (पत्र की प्रति संलग्न) जिसके पैरा 3 में स्पष्ट रूप से कहा गया था कि यदि कोई प्रमाणिक दस्तावेज़ किसी व्यक्ति या संस्था के पास उपलब्ध हो, जिससे यह स्पष्ट हो कि घटना रजिस्ट्रीकृत थी, तब ऐसी स्थिति में ऐसे प्रयास किए जाने चाहिए कि घटना का पुनः रजिस्ट्रीकरण किया जाए अथवा रजिस्टर का पुनः निर्माण किया जाए जिससे कि आम नागरिक जन्म/मृत्यु प्रमाणपत्र से वंचित न रह सके । इसी के साथ ही यह भी सलाह दी गई थी कि सिविल रजिस्ट्रेशन रिकार्ड के पुनः निर्माण के संबंध में वही प्रक्रिया अपनाई जाए, जो कि अन्य रिकार्डों के पुनः निर्माण के संबंध में अपनाई जाती है ।

उपरोक्त वर्णित स्पष्टीकरण के आधार पर ही अगली कार्रवाई की जाए ।

To

The Chief Registrar of Births & Deaths
(As per list attached).

Sub :- Reconstruction of destroyed or mutilated registration records.

Sir,

For quite sometime now, we have been receiving communications from various Chief Registrars highlighting the problems being faced by them in dealing with situations when the registers of births and deaths have been destroyed or lost or damaged. At present, in the Model Rules, Clause (d) of sub-Rule (1) of Rule (14) and Sub-Rule (3) and (4) of the same Rules provide for the issuance of non-availability certificate in such cases in Form No.17 to Form No.20. The Form Nos. 17, 19 and 20 are issued in cases where the original registers are not available and Form No.18 is used when a particular entry is not available in the register. Many of the states have included this provision in their state RBD Rules as per the Model Rules and are issuing non-availability certificates in the above mentioned forms. The general response received from the various Chief Registrars in reply to this office letter of even number dated 30.1.1997 suggests that these certificates (except those given in Form No. 18) seem to serve no purpose in such situations and put the genuine applicants to a lot of hardship. The present procedure is also totally counter-productive to our effort in improving the levels of registration.

2. After careful consideration the following courses of action have been suggested to remedy the situation:-

1246-155/KS(CS)
